### In Modes Typical of The Easter Season.

We point to these splendidly complete displays, exemplifying the very latest developments in Ready-to-wear Apparel of the finest character, as an achievement that has never been equaled by us. The merit of the styles, the unusual attractiveness of the materials, the careful selection which each garment shows prove conclusively that the preferences of our patrons have been given greatest consideration as to excellence of values as well as to style newness.

Plain Tailored Suits==Strictly mannish in effect and of exception-ally straight lines; smart styles that are distinctly new and clever in design and workmanship. They are of serges, whipcords, homespuns, men's suitings and English novelty cloths. One and two button cutaway coats and straight-front models with three or four buttons......\$25.00 to \$50.00

Army and Navy Serge Suits== Strictly tailored garments of the utmost simplicity of line, that give grace and enhancement to the silhouette vogue. The designing and modeling of these suits compare most favorably with the custom-produced, and the fabric is better. Shown in black and navy blue serge, and coats 

Dress Suits=-Of fine French taffeta, changeant taffeta, eolienne, benga-line, moire, velour, English and French serges. Rich and handsome garments, some having new braid trimmings in scalloped design, others are trimmed with wide bands of braid, giving the skirt a tunic or overdress effect. All have fancy collars of satin, macrame lace or agaric; a wide latitude for choice......\$35.00, \$45.00, \$65.00 to \$95.00

Semi-Dress Suits == Serges, whipcords, diagonals, novelty cloths and imported English suitings; the assortment of styles is very large, and the variations different to a noticeable degree. Smart short coats that are modeled so effectively this season, with revers in numerous shapes that lend charm and refinement; also some with large shawl collars, and others are trimmed with lace rufflings, braids, etc.....\$35.00, \$45.00 to \$75.00

Taffeta Silk Suits== Trimmed and semi-tailored models, with short coats, including plain French taffeta's, the changeable taffetas and the hairline striped taffetas. Very attractive are the trimmings, consisting of macrame lace, shadow lace, embroidered batiste and large fancy pearl buttons......\$29.50, \$35.00 to \$85.00

White Serge Suits== White and white with trimmings of the most delicate contrasting shades, the vogue of which is pronounced in no uncertain terms; the braid trimming in the semi-dress models is most effectively applied......\$25.00, \$35.00 to \$55.00

set-in sleeves; some have collars and cuffs of lace and

lingerie......\$18.50 to \$30.00

expressed a preference; attractive embroidered designs, combined with real filet, cluny and Irish laces.....\$22.50, \$37.50 to \$95.00

Afternoon and Evening Gowns==Crepe meteor, charmeuse and silk crepe, exquisitely combined with chiffons, delicate shadow laces, macrame and Irish laces; skirts in beautifully draped and pannier

Semi-Dress Street Coats== Navy and black serges and whip-cords predominate; long, graceful

Cream Coats== For women and misses, in serges, basket weaves, diagonals and homespuns, beautiful in line and design, including Norfolk effects and every new mode of the season; regulation and kimono sleeves and silk-trimmed collars......\$18.50 to \$35.00

All-over Lace Coats == The season's newest novelty, of silk laces in short jaunty effects; 26 to 30 inch length. 

Auto and Street Coats=-Full-length styles; serviceable for every-day and for tourist wear, of black, navy and gray whipcords, serges and diagonals; changeable taffeta coats in green.

Changeable Taffeta Waists == Beautiful French Taffeta Waists are in the exact shades to wear with the two-piece changeable taffeta suits so popular; plaintailored models and the dress effects......\$5.75 to \$7.50

Chiffon Waists == Made over silk and chiffon cloth, others over net and lace, in models for street and afternoon wear; some are daintily trimmed with new shadow laces, others are delicately em-

## An Easter Millinery Display Equal to Every Requirement

Never have our styles been more strongly approved and commended by our patrons, and the very pleasant feature all women are turning to is the becomingness of the modes—the types now shown month in Minneapolis, follow the advice are much more easily worn than heretofore, and every model is charmingly refined and distinctively original.

OUR SHOWING REVEALS THE LATEST FASHION IDEAS OF EVERY TYPE:

Dress Hats-A most interesting series of styles, small, medium moved in 1900 was passed by a vote and large shapes that roll away from the face or turn up in ar infinitely varied number of effects. Never was diversity so great never were hats so beautiful and withal so simple.

Tailored Hats- Numerous new models that give distinction to our modes and that will prove of the greatest benefit to those who have delayed their selection; the styles are as varied as are the faces and types of women who will wear them.

Mourning Hats-Our milliners seem to have struck just the three branches of the church of that de right note in Mourning Hats; models that constitute style and the natural inclination of those who wear black for its subdued yet rich and dignified effect. They are as exquisite in style and as becoming as any hat in our displays.

Bonnets, Turbans and Toques—Here, as in all other lines of Millinery, variety exists to a remarkable degree; novel little bonnet effects, poke styles that show just the slightest inheritance of these as before known; the Dutch bonnet and other unique but new and exceptionally becoming designs. Turbans and Toques in a range of modes that is very satisfying.

Girls' Hats-Exclusive styles have been developed in accordance with our policy that the modes for girls' wear are just as important as those for women. The varieties range from those A resolution commending the work of suitable for the little miss to those almost women-every mode is a superb creation, and expresses a definite style note.

### Many Exclusive Novelties In Handsome Parasols.

Unusually attractive is the group of novelty effects so much a vogue of the present season, among which are seen the following: the Methodist Episcopal Church, Bishop Parasol, of white silk, covered with black chiffon and trimmed with Earl Cranston, presiding over the one three-inch black velvet border, and of Light Blue Silk, covered with Baltimore conference, yesterday afternoon all-over ecru net; Parasol of Satin in rich American beauty shade, trimmed with black chiffon and silk fringe, also of Purple Silk, covered with ecru net, trimmed with purple chiffon and chenille fringe, and of Black Silk, covered with black chiffon, finished with ruffle edge; also Black Satin, covered with chiffon and fringe.

## Women's Smart Easter Footwear == Pumps, Ties and Oxfords.

The new styles are decidedly attractive, charming in their gracefulness, smart in their trim lines and thoroughly comfortable, as all are built to fit, and fit well.

An unusual assortment of shapes, patterns and materials, some exclusive styles in the finer grades.

THE CONTINENTAL PUMP AND TONGUE SLIPPER is testimony the newest spring style in smart footwear. These pumps hold to the foot by virtue of the scientifically designed last, together with a suede The Ten Commandments heel anchor; they have tongue and buckle, the latter being metal or self-covered. Shown in patent kidskin, black and tan Russia irreverence is a sin against your nature calfskin, gun metal calfskin, black and brown suede, white canvas, white suede and white buckskin,

DRESDEN TIES are another line that we wish to mention an are not thinking. God made man to specially. These Ties are a slight variation of the pump-just a trifle higher, with one eyelet that is hidden when the lace is tied. Shown in patent kidskin, gun metal and tan Russia calfskin, black suede and white linen.

SEAMLESS PUMPS are particularly smart, they hug the foot at all points and do not gape at the side; all leathers and black satin.

SMART WALKING OXFORD TIES, in three and four eyelet effects; blucher and straight lace models, in several shapes of toes and heights of heels, embodying the finest new styles that are comfortable and durable.

These and other new style expressions, together with a broad trict, to the position. range of staple models, go to make up the most complete assortment of Easter Footwear we have ever shown.
